Я могу сказать про Лаки хорошие вещи. Предложений для своих завсегдатаев площадка не жалеет. Их можно получать ежемесячно, еженедельно и ежедневно. А есть и долгоиграющая программа лояльности. Набранные в рамках этой фишки очки можно обменивать на деньги по курсу, зависящем от уровня лояльности. Для любителей разовой игры это ничего не значит, а для меня является дополнительным профитом, так как играю постоянно. По моей стратегии не стоит засиживаться долго за слотом, если он не отсыпал сразу. Так можно и не дожидаться ничего, а деньги уйдут. И то, что сайт предлагает около пятисот аппаратов, мне очень на руку. Есть и настольные игры, но это так, кстати, я в них понимаю мало. Еще считаю преимуществом, что оператор предлагает слоты с прогрессивными джекпотами.
