Technically, all casino slots at an online casino are video slots. However, the name is reserved for those games that are more detailed and complex. The original land-based video slots were the first slot machines to use computer monitors, supporting their high-definition graphics and animations.

Our video slots have come a long way since the one-armed bandit, and boast colourful themes, animations and bonus features to keep you entertained for hours on end. Our casino has both 5 – 15 payline and 20+ payline video slots to choose from, with fun bonus features which include Wild and Scatter pays, Free Spins bonuses and second-screen gamble games. 7Sultans Online Casino additionally introduces new video slots each month to ensure that there's always a new game to win at.

7 Sultans Casino belongs to a group of online casinos that set a standard of ethics and professional online gambling by treating its players with respect, appreciation and trusted fair game play. This online casino has been a top choice for players all over the world and offers some of the best artslots game titles in the industry.

Everyone who signs up at 7Sultans for the first time can receive an online casino welcome bonus to the value of €500. This non-obligatory offer requires that players make a deposit in order to receive it. The offer itself is split into two segments, each to the value of €250. This allows the player the opportunity to make a minimum deposit of €10 and to get a feel for how the bonus system with its wagering requirements works. In addition to this offer, we also have a Loyalty Programme that lets players accumulate points that can be redeemed in specific denominations to be added back into the bonus balance. Let the fun begin!

7 Sultans Online Casino offers their players a lucrative 100% bonus on their first deposit up to AU\$/€/ \$500 Free. They can decide between various promotions available on the Promotions page, sign they up and after registration they become members of 7 Sultans Casino Reward Program composed of four levels: Silver, Gold, Platinum and Diamond. Players receive loyalty reward points. On slot each credit bet is equivalent to reward points; on the table, every five credits bet to win one Loyalty Point; for every 1000 points one cash credit is redeemable. Bonuses earned rely on the level, higher is this and more bonuses for the players.

As an online casino with more than 20 years of experience, we've never been shy when it comes to rewarding our players – our games do this every time a player wins. But here at 7Sultans, online casino rewards aren't just defined by the wins that players can achieve, they're defined by the amenities afforded to all who make our casino their go-to location. There's our famous C\$500 welcome bonus, a non-obligatory incentive that gives all our new players up to 500 additional credits with which to play. Best of all, this offer is split into two C\$250 match bonuses, meaning that it's applicable to the first two deposits that you make. Then there's our Loyalty Programme, a system that rewards your play through a process of collecting points which can be redeemed in demarcated segments. There's also a tiered ladder that players can ascend and thus receive even more rewards from the casino.

Online casino games real money usa

7Sultans may be one of the oldest online casinos around but, particularly if you're a fan of the titles offered by Microgaming, it really does remain one of the best places to play.

A casino is a place where players gather to play casino games – games of chance and, sometimes, skill that provide many different kinds of pleasure, from the pure entertainment factor that comes from playing the games themselves to the challenge of placing bets with chances to win real money. Of course, today, the levelling effect of technology means anyone with an internet connection can play casino games - casinos aren't a snooty affair but a pastime that everyone can enjoy. Not every online casino is created equal, though, which is why New Zealand players in search of the best quality games and great casino rewards backed up by the most uncompromising of safety and security standards have chosen 7Sultans since 1999. We've built up an enviable reputation for quality, reliability, safety and good service, as players soon discover when they sign up at 7 Sultans.

At 7Sultans Online Casino players can delight in the fact that there are few limitations when it comes to making sure that everyone who's interested in playing can do so. For those who prefer to do things on their tablets or smartphones, our online casino mobile games are sure to suffice. In fact we've transitioned the casino to both iOS and Android devices, thus making sure that all who would rather opt for a mobile casino online experience can do so with relative ease. All the highlights of the original 7Sultans PC-gearred package have traversed a sea of data and technology to bring players winning possibilities, ongoing non-obligatory promotions and deals, and a safe gaming environment in which to conduct all the fun.

7 Sultans Casino is a Microgaming powered online casino operated by the well respected Fortune Lounge Group. The casino has a big range of slots and features regular slot tournaments and lots of promotions.

These days there aren't many things we don't do on our smartphones. These digital appendages have endeared themselves to us and allowed us to conduct our socialising and our business in a much more convenient manner. With all this in mind, 7Sultans is proud to give our players from Canada an online casino mobile experience sure to meet and exceed expectations. Our casino software is designed to meet all the expectations of the modern-day player, or more specifically, the mobile casino player. Quality casino games, safe and effective banking, ongoing deals and promos and real cash opportunities have all been optimised for smartphone and tablet gameplay without any compromises.

For more than 20 years we've sought to provide our players with a gaming experience of opulent proportions. It's an experience we've constantly chipped away at with the goal always being that of refinement and in essence, betterment. Through the incorporation of the latest in online casino gaming technology, we've been able to maintain an exceptional status quo. A lot has changed since 1999; players are no longer limited to their PCs when they game, a fact we're incredibly proud of, and something anyone can experience through our mobile casino online. Our sultan-worthy €500 welcome bonus is still on the cards for all new players while our on-going promotions remain fun and entertaining. And if safety is a concern, let it be known that there's no need for such concerns thanks to our modern online banking infrastructure, our licensing and regulation, our external auditing and our strict approach to responsible gaming.
